Tamara,

Thanks. That was very helpful.

Can you tell me whether you have any documents relating to the "tests in the United Kingdom . . . during which we are recording sounds to hopefully better understand the sound on the TWA 800 CVR tape . . ." which is referred to in Chairman Hall's August 20, 1997 response to Congressman Shuster's July 16, 1997 letter? Could you give me a link to them?

Again, thanks.
